

# DIVERSITY CHARTER

This charter is to every European high school students :

## 1- Diversity requires an open mind.

- We should accept the differences whatever the languages, cultures and religions are.
- We should be tolerant towards the difficulties of others.
- We should listen to and help others.

## 2- Diversity allows self development.

- We should learn from others and from their cultures.
- We must provide an we access to a shared culture.
- We should transmit the value of diversity.

## 3- Diversity leads to a life in society.

- We should live in solidarity.
- We should be respectful towards everyone's choices.
- We should respect the rules that govern our society.
- We should learn to communicate within the group.
- We should share our differences.
- We should welcome and trust others.

## 4- Everyone can contribute to diversity.

- We should bring diversity to life through reflection and the setting up of activities.
- We should organize theme days to encourage openness to diversity (Fraternity day, Tolerance day, Kindness day, meeting with foreigners, international exchanges).

## 5- Diversity requires to hinder all forms of violence and discrimination.

- We should intervene when witnessing an act of harassment.
- We should react to discriminating remarks.

It is up to all to invest and understand the importance of this charter.

## Diversity Charter

This charter is to every European high school students.
